Of course, we are always looking for help!! We have work sessions on different days and times every month… no slave labor, just a couple of hours with refreshments afterwards.

And for those with a full schedule, we are also in need of additional **$$$$** -- a healthy tax deduction for both your wallet and body!

So contact Geoff Orth (p: 479-0014, gcorth@straydogs.us) or Joel Buth (p: 455-6520, joel@goldstreamsports.com) for more information.
